For your convenience, we recommend using our preorder service 48 hours prior to an event or by 2pm on Thursday, for weekend and Monday events.

SPECIAL REQUESTS

MLSE would be happy to accommodate special menu requests, including kosher, halal, vegan, and vegetarian options, along with any other dietary restrictions, whenever feasible. Most requests can be fulfilled within 3 business days, however please reach out as soon as possible to ensure availability.

OUTSIDE FOOD & BEVERAGE

To protect our fans, employees and team and to align with league and tour standards, a restricted bag policy is in place at Coca-Cola Coliseum. This policy will reduce contact between security staff and patrons' items as well as inhibit the introduction of prohibited items to the venue.

MLSE is the exclusive food and beverage provider for Coca-Cola Coliseum. Guests are prohibited from bringing in outside food and drink without prior authorization from MLSE. Fans and their belongings will be subject to additional security screening and can be denied entry if contents do not meet security criteria.

FOOD AND BEVERAGE DELIVERY

Some of your food and beverage selections will be delivered to your suite prior to your arrival at each event unless alternative arrangements have been made. In order to ensure the highest level of food quality some items may be delivered closer to event start.

CANCELLATIONS

Should you find it necessary to cancel your suite order, a minimum of 2 business days (48 hours) notice is required in advance of the event in order not to incur any charges. Please email us at Coliseum.Suites@MLSE.com.

If you have not advised us by the above timeline to cancel your pre-order or standing food order, all food and staffing charges will be processed accordingly.

SUITE SERVICE

Suite level attendants are available to service your guests with each attendant servicing three-four suites. Should you require a more personalized level of service or request a consumption spirits bar, a dedicated suite attendant can be arranged for an additional charge of \$100 plus HST per event.

Each suite is pre-stocked with chafing dishes, serving utensils, disposable plates, cup, flatware, napkins and a selection of condiments at no additional cost. All of our disposable products are biodegradable.

SUITE BEVERAGE SERVICE

Your suite comes stocked with beer and non-alcoholic beverages that will be billed on consumption. We require a credit card on file to facilitate the billing of these products. We recommend that a par stock of products be established for your suite to suit the needs of you and your guests. The suite attendant will automatically replenish the items as needed to maintain your stock at a desired level. If you require a consumption spirits bar, please refer to the SUITE SERVICE guidelines above, as a dedicated suite attendant will be required.

Specific beverage service can be requested on the order form. If you require your fridge to be locked please advise when pre-ordering. Otherwise, a card on file will be responsible for any beverages consumed. For your convenience, a bar is available on the suite level outside Suite 21 for placing individual orders. Additionally, any beverages purchased on the concourse can be brought to your suite to enjoy.

The safety and enjoyment of our fans is always our first priority. All of our suite attendants are Smart Serve certified and fans must follow the posted alcohol policy in accordance with the event you are attending.
